Remarks

Discover your personal oasis with this unique opportunity in the heart of "The Waterways mobile home community. This serene escape offers a prime location along a picturesque freshwater canal. While the canal isn't navigable, it provides a stunning backdrop for your future home, allowing you to make up to tranquil water views and unwind beneath a peaceful canopy of stars. Please note as part of the community guidelines, any new construction will need to conform to existing villa standards set by the association. Additionally, these two lots are being offered as a single parcel and cannot be split. Don't miss this exceptional opportunity to own both lots for one price and embrace the lifestyle you've always desired in the "The Waterways". Your paradise awaits!
